Report On Cleaning Drive Programme

Date: 21-02-2020

Location: Bakarigaon, Morigaon

The campaign was organized by the Department of Computer Application, Morigaon College. The primary objective was to promote cleanliness and hygiene practices in public areas taking an essential step towards creating a cleaner and healthier environment for the residents.

Cleanliness is an essential aspect of maintaining a healthy environment, and it plays a significant role in ensuring the well-being of individuals and communities. In recent times, there has been a growing concern about the need for cleanliness campaigns in different parts of the world. The cleanliness campaign in the community aimed to create awareness among residents about the importance of cleanliness in maintaining a healthy environment.

There were total number of 19 students and the students were divided into groups for the cleanliness campaign. All the formed groups and the members who had participated in the campaign were provided with gloves and bio-degradable bags to fill the garbage. The activities carried out during the campaign, such as cleaning of public areas and awareness programs on waste management and hygiene practices, had a positive impact on the community. The campaign's success was evident in the reduced littering, improved sanitation, and increased awareness about cleanliness and its benefits.
