**Sub: Application for permission to conduct a workshop on 09-05-2019.**

Respected Sir,

It gives me immense pleasure to inform you that the Department of Mathematics wants to organize a workshop on the topic "Data Collection Methods". As we are all aware, data plays a crucial role in research, decision-making, and problem-solving. This workshop aims to enlighten students on various data collection techniques, fostering a deeper understanding of research methodologies. I kindly request your approval for the proposed workshop and would be happy to discuss any details or address any concerns you may have.

Thank you for considering my request. I look forward to your positive response.

## Report on State Level Workshop

Topic: **Data Collection Methods**

Resource Person: **Dr. Mainu Goswami**, Assistant Professor, Department of Geography, Morigaon College, Morigaon, Assam.

Date: 09-05-2019

Time: 10 AM onwards

Venue: **Department of Mathematics, Morigaon College**

### A brief description on discussion and interactions:

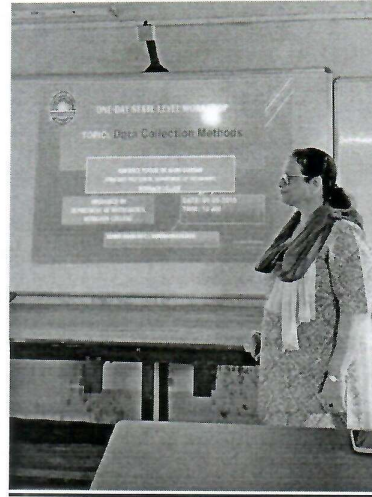

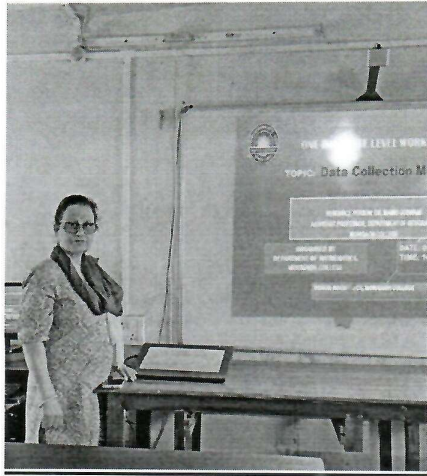

On 09-05-2019, at 10 AM, the Department of Mathematics at Morigaon College organized a workshop on the topic "**Data Collection Methods**" in Department of Mathematics. The aim of the workshop was to help the students gain a comprehensive understanding of various data collection methods and their applications. The resource person of the workshop was Dr. Mainu Goswami, an Assistant Professor of Department of Geography, Morigaon College. The distinguished Dr. Lila K. Barthakur, Principal of Morigaon College, lit the lamp to start the workshop, and the resource person was then acknowledged. Mr. Prafulla Kumar Bora, Head of the Department of Mathematics, gave a brief overview of the workshop's subject. Dr. Karabi Rajbongshi, an assistant professor in the department, introduced the resource person. Dr. Mainu Goswami gave a resourceful talk on data collection methods including surveys, interviews, observations, and experiments. Practical examples and case studies were also presented to illustrate the real-world application of these techniques. Following her speech, she interacted with the students. At the end, Dr. Simarekha Bhagowati gave a vote of thanks to wrap off the occasion.

Participants gained a better understanding of various data collection methods which is very crucial for research. Participants provided positive feedback, emphasizing the workshop's clarity, relevance, and usefulness.
