**Topic: Workshop on Plant Taxonomy with Special Reference to Wild Edible Fruits of Tripura (RM)**

**Resource Person: Suresh Biswas, KVK, Tripura**

**Date: 10/03/2023**

The workshop on Plant Taxonomy with a focus on Wild Edible Fruits was conducted on 10/03/2023 at seminar hall, Dept. Zoology, Morigaon College. The primary objective was to enhance participants' understanding of plant taxonomy, with a specific emphasis on identifying and classifying wild edible fruits. The workshop featured Suresh Biswas, an esteemed expert in plant taxonomy, as the resource person. Mr. Biswas provided a comprehensive overview of plant taxonomy, emphasizing the importance of classification in understanding plant diversity. Participants learned about key taxonomic categories, botanical nomenclature, and the principles guiding plant classification. The workshop delved into the identification and classification of wild edible fruits. Mr. Biswas showcased a variety of specimens, highlighting their nutritional value and ecological significance. Discussions included the sustainable harvesting of wild edible fruits and their role in local economies and traditional diets. The resource person encouraged active participation through interactive sessions, where participants could ask questions and share their experiences. This workshop facilitated by Suresh Biswas, was a resounding success. Participants gained valuable insights into the world of plant classification and developed practical skills for identifying and appreciating wild edible fruits. The knowledge imparted by Mr. Biswas will undoubtedly contribute to the conservation of plant biodiversity and the promotion of sustainable practices in utilizing wild edible resources.

**Topic: Traditional Healing Practices in Mayong District(RM)**
