### NOTICE

It is general notice for all at the students that department of zoology is going to organize a Workshop on “**Exprimental Design And Data Analysis:From Theory To Practice**” on 14/04/2019, at the departmental seminar hall at 10:00 am.

All the students are requested to attend the program positively.

Thanking you

To  
The Principal  
Morigaon College

Subject: Permission for organizing Workshop

Respected Sir

With due respect I beg to inform you that department of Zoology will organize a Workshop on the topic “**Exprimental Design And Data Analysis:From Theory To Practice**” at departmental seminar hall at 11:00pm on 14/04/2019, with the presence of distinguished resource person **Madhubanti Das**.

So, I therefor request you to allow us for organizing the Workshop and obliged.

Thanking you

Yours Sincerely

11/04/2019

To,

**Madhubanti Das**

Subject: Invitation as resource person for the Workshop

Sir/Ma'am, I am pleased to inform you that you are invited as the resource person for the Workshop "**Exprimental Design And Data Analysis:From Theory To Practice.**" To be held on 14/04/2019

You are there for cordially requested to extend you kind help and cooperation for the smooth conduct of said Workshop.

**Workshop and Seminar Report**  
**Post Graduate Department of Zoology**  
**Year (2019-2020)**

**Topic: Experimental Design And Data Analysis: From Theory To Practice (RM)**

**Resource person: Madhubanti Das**

**Date: 14/04/2019**

A workshop on the topic "Experimental Design And Data Analysis: From Theory To Practice" was organized in the Department of Zoology, Morigaon College. Madhubanti Das, Research Scholar, Gauhati University was present as the resource person. For graduating students and those pursuing a Master's in Science (M.Sc), gaining proficiency in experimental design and data analysis is pivotal for successful research endeavors. This workshop underscores the seamless transition from theoretical concepts to practical applications in these critical domains. Understanding experimental design involves crafting robust methodologies to systematically investigate scientific hypotheses, ensuring reliable results. Moreover, the report emphasizes the significance of mastering data analysis techniques to extract meaningful insights from experimental outcomes. From statistical methods to advanced data visualization tools, students are encouraged to bridge the gap between theory and practice. This integration not only enhances the validity of research findings but also equips graduates with essential skills for navigating the intricacies of empirical inquiry in their academic and professional pursuits. Emphasizing hands-on experience, this workshop serves as a guide for students to harness the power of experimental design and data analysis, fostering a robust foundation for their scientific journeys.

**Workshop on Research  
Methodology**

**Topic:**

**Experimental Design And Data  
Analysis : From Theory To  
Practice**

**Resource Person: Madhubanti Das**  
Research Scholar, Gauhati University

**Date: 14.04.2019**

**Time: 10.00 A.M**

**Venue: Morigaon College**
