NOTICE

It is general notice for all at the students that department of zoology is going to organize a Workshop on “**Workshop on exploring mathematical modeling in ecology and population dynamics**” on 20/11/2020, at the departmental seminar hall at 10:00 am.

All the students are requested to attend the program positively.

Thanking you

To
The Principal
Morigaon College

Subject: Permission for organizing Workshop

Respected Sir

With due respect I beg to inform you that department of Zoology will organize a Workshop on the topic "**Workshop on exploring mathematical modeling in ecology and population dynamics**" at departmental seminar hall at **10:00am**, on **20/11/2020** with the presence of distinguished resource person **Mrinal Haharika** .

So, I therefor request you to allow us for organizing the Workshop and obliged.

Thanking you

To,
Mrinal Haharika

Subject: Invitation as resource person for the Workshop

Sir/Ma'am, I am pleased to inform you that you are invited as the resource person for the Workshop "**Workshop on exploring mathematical modeling in ecology and population dynamics.**" To be held on 20/11/2020.

You are there for cordially requested to extend you kind help and cooperation for the smooth conduct of said Workshop.

Topic: Workshop on exploring mathematical modeling in ecology and population dynamics (RM)

Resource person: Mrinal Kumar Haharika

Date: 20/11/2020

A workshop on exploring mathematical modeling in ecology and population dynamics proves to be a pivotal educational experience for graduating students and those pursuing a Master's in Science (M.Sc.). Mrinal kr. Hazarika, Asst. Teacher, Dondua High School, Morigaon, was present as the resource person. This report encapsulates the key highlights of the workshop, emphasizing its critical role in bridging theoretical concepts with practical applications in the field. Participants engage in hands-on sessions, delving into the fundamentals of mathematical modeling and its applications in understanding ecological systems and population dynamics. The workshop not only equips students with essential modeling techniques but also fosters a deeper appreciation for the quantitative aspects of ecological research. By emphasizing the real-world relevance of mathematical models in predicting species interactions, ecosystem dynamics, and biodiversity patterns, the workshop empowers students to apply these tools in their future research endeavors. This intersection of mathematical rigor and ecological understanding becomes instrumental in addressing contemporary environmental challenges and contributing to sustainable practices in ecosystem management.

Workshop on "Exploring mathematical modeling in ecology and population dynamics"

Resource Person: Mrinal Haharika

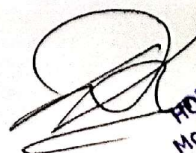

Asst. Teacher, Dondua High School

Date: 20.11.2020

Time: 10.00 A.M

Venue: Morigaon College

HOD, Zoology
Morigaon College
