Topic: Exploring the Impact of Hormonal Imbalance and its Disorders (RM)

Resource person: Rajashree Deka

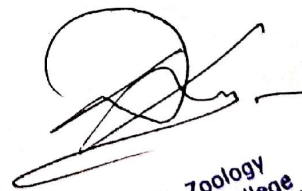

Date: 26/04/22

A one day **workshop** on the topic "Exploring the Impact of Hormonal Imbalance and its Disorders" was organized by the Department of Zoology, Morigaon College on 26/04/22. Rajashree Deka, Research Scholar, Gauhati University was present as the Resource Person. The workshop on "Exploring the Impact of Hormonal Imbalance and its Disorders" offered an insightful and comprehensive overview for both graduation and master's students. Hosted at Department of Zoology, the seminar focused on the intricate aspects of hormonal imbalances and their associated disorders. Expert speakers elucidated the multifaceted impact of hormonal fluctuations on human health, covering topics such as endocrine system functionality, common disorders, and advancements in diagnostic and therapeutic approaches. Attendees, comprising students pursuing both undergraduate and postgraduate studies, engaged in interactive discussions and gained valuable insights into the latest research trends. The seminar not only heightened awareness about the pervasive influence of hormonal imbalances but also underscored the significance of ongoing research in developing effective interventions. This event served as a valuable platform for students to expand their understanding of hormonal disorders, laying a foundation for their future academic and professional pursuits in the field.
